BRITANNICA ONLINE® Academic Edition

search.eb.com

Used by more colleges and universities than any other general reference resource

Britannica Online delivers fast and easy access to high-quality, comprehensive information. The rich combination of the insightful Encyclopædia Britannica plus Merriam-Webster's Collegiate® Dictionary and Thesaurus, e-books, magazines and journals, and many other research materials provides the variety of reliable sources that students need to consult when conducting research — all from one website.

- Abu Dhabi University

“We found that students, in particular undergraduates, make good use of the resource as an introduction to topics that are new to them, to begin their research in a subject, and to expand their knowledge using the additional recommended readings and links to full text articles.”

—Alison Broke, Open University, UK

2.5 Million rights-cleared images

Bridgeman Art Library, Dorling Kindersley Images, Getty Images, the National Geographic Society, Oxford Scientific, and nearly 50 other leading names have joined with Britannica to provide the best and broadest collection of proprietary educational imagery. Image Quest provides safe and fast access to the highest quality images on all topics and for all ages. All images are rights-cleared for non-commercial, educational use — great for student reports, projects and presentations as well as library websites, newsletters, and flyers.

“...A top-quality product...a ten all the way. Excellent throughout...This one is headed for my Best Reference list.”

—Library Journal, February 2011

“Highly recommended.”

—CHOICE, August 2011

E-BOOKS

ebooks.eb.com

Easy preview—no password required!

Quick electronic access to 325 Britannica titles

Hundreds of new non-fiction and circulating titles and Britannica’s popular reference titles are now in e-book format.

FULL CONTENT OWNERSHIP

Purchase an e-book and your institution owns perpetual access to that e-book — there are no ongoing annual subscription or platform fees.

ANYTIME, ANYWHERE ACCESS

Access our e-books at anytime from your PC and mobile device — all you need is an internet connection.

100+ NEW TITLES EACH YEAR

The ongoing release of new e-book titles ensures an expanding selection of reliable, high-quality resources.

Visit ebooks.eb.com to view the entire selection.

- Geography: 70+ titles
- History and Government: 100+ titles
- Literature, Arts, and Humanities: 10+ titles
- Science and Maths: 130+ titles
- **PLUS** biographies, technology, sports, and other subjects!

EMBEDDED TRANSLATION LAYER (ETL): ARABIC/ SPANISH TO ENGLISH

Our mouse-over translation tool provides an instant translation of any HTML document from English into Arabic/Spanish. By simply placing the cursor over a word, ETL displays an Arabic/Spanish translation of the English word in its current context with unparalleled accuracy. It can easily be added to any of your Britannica Online subscriptions.

WORLD DATA ANALYST ONLINE world.britannica.com

This rich trove of current and historical statistics on the countries of the world makes historical and cross-national comparisons easy. Plus, *World Data Analyst* allows subscribers to create tables, charts, and even export the information to a spreadsheet for data crunching and deeper analysis. Users can also link to country articles. It's ideal for research, to explore new topics for study, or just to learn more about the world.

WEBSTER'S THIRD NEW INTERNATIONAL DICTIONARY, UNABRIDGED ONLINE mwu.eb.com

Librarians, educators, and students can trust this comprehensive database of words and robust search functionality, which allows users to research language and study words in a variety of exciting ways. It's the perfect resource for anyone interested in expanding their understanding of the English language.
