HE-STT - Staff mobility for Training from Partner Countries Incoming Fields: Civil engineering and architecture, Computer science and mathematics, Physics and chemistry	Training	€ 360,00	160,00 per day	Minimum 5 days Maximum 20 days

Procedure for the selection of staff

Each University, included in the project, will carry out the selection of the participants according to the following **criteria**:

1. The selection must be fair, transparent and well-documented, and shall be made available to all parties involved in the selection process.
2. The selection criteria shall be made public and according to the following criteria:
 - a. Candidate's CV, including English or Italian level proficiency (maximum 40 pts);
 - b. mobility agreement (achievement of real enrichment of teaching/technical/administrative capacities of both hosting and visiting staff; Commitment of home institution to recognize the activities carried out abroad; Contribution of the mobility to capacity building of sending institutions; Opportunity to start/extend an integrated curriculum / double diploma. Level of integration of proposed teaching/training activities in the hosting institution) - (maximum 40 pts);
 - c. Further certifications (maximum 20 pts).

Minimum score: 60/100 pts

The HEI shall take the necessary measures to prevent any conflict of interest with regard to persons who may be invited to take part in the selection bodies or selection process.

Each University:

- will send the International Relations Office (credit.mobility@struttura.univaq.it):
- the minutes of the selection;
- an Excel file with all the information regarding candidates and scores given according to the selection criteria listed above;
- an official nomination letter;

Documents to be sent to UNIVAQ for each selected candidate:

- candidate's CV;
- training agreement proposal;
- a copy of the passport;
- Further certifications

Partner Universities will select a maximum of 5 staff members.

Deadline: 31st January 2026

The budget available for this call is € 38.520,00.

Once all documents arrive from all Partner universities, an academic committee at UNIVAQ will be nominated in order to evaluate the applications received. A selection will be made and a single ranking will be created (by merit).

50% of the funds indicated in this call will be equally distributed among the universities that have submitted applications in order to select their best candidates from the single ranking.

The remaining funds available at the moment of the selection (i.e., the remaining portion of the budget indicated above, plus any additional savings that may become available) will be used to select the best staff members from the remaining candidates in the single ranking (regardless of their institution of affiliation).

The single ranking of eligible candidates remains valid until the end of the project (July 2026): if additional funds become available (including from other countries in the same region), the single ranking will be used as long as there are still eligible candidates on the list.

The staff mobility will take place in the second semester of the academic year 2025/2026
