The Examining Board is appointed by a Rector's Decree upon designation of the Council of the Department requesting the position and is made up of three first tier professors chosen among professors of proven scientific prestige. One member may be chosen among high profile scholars from a university or a research centre of another OECD country. The correspondence between foreign parties' and Italian qualifications is certified by the designating Department Council in accordance with Ministerial Decree n 662, 1 September 2016. The relationship of the foreign scholars' activities with the academic recruitment field and, where required, with the academic discipline/disciplines is equally certified by the designating Department Council.

Except in cases of impossibility, the external members must belong to institutions different from each other.

The members of the Examining Board must belong to the same academic discipline concerning the position object of the public selection procedure, or to the same academic recruitment field. Alternatively and justifiably, one or more members may be chosen among those professors belonging to the same macrosector. The designated professors must fulfil the conditions for being appointed members of the local board pursuant to Art. 3 of the Regulation established by Rector's Decree n. 905-2018. Unless documented reasons exist, a balanced gender representation must be ensured.

The Council of the Department requesting the position, in its composition including all the members belonging to the tier for which the selection procedure is being held, in its own way designates a member of the Examining Board.

The remaining members, anyhow external to the University, are chosen by drawing within two sets of three candidates proposed by the Department Council itself among those who meet the requirements. In order to achieve as outcome of the drawing a balanced gender representation, also in relation to number and availability expressed within the academic recruitment field, the candidates in one set are males while the candidates in the other set are females. The Department Council must comply with the provisions required by the present paragraph, after having included the relevant item in the agenda and providing account in the minutes of the drawing carried out in the same public meeting. The Department Council must provide the proper documentation concerning the designated professors along with an extract of the minutes forwarding them to the Settore Concorsi.

The following cannot be nominated:

- Professors who have received a negative assessment as provided in Art. 6, Paragraph 7 of Italian Law 240/2010, 30.12.2010;

- 2. The Rector’s Decree appointing the Examining Board shall be published on the University’s Albo Ufficiale and on the University website.
- 3. From the date the Rector’s Decree nominating the Examining Board is published candidates have 10 days to state their opposition to any of the components of the Board. If the cause of the objection arises after the time indicated above so long as before the date of the Board’s taking office, the period shall run from its occurrence.
- 4. The Board nominates a President and Secretary.
The Board operates with the presence of all its members and takes decisions unanimously. Participation in all Board activities is mandatory for all members, without prejudice to reasons of force majeure.
- 5. The Board, after notifying the Head of the selection procedure, may hold meetings using telematic technology. At the end of the meeting the minutes must be drawn up, approved, and signed by the Secretary who has actually drawn them up. The other members of the Examining Board underwrite a statement in which they declare that they have joined the meeting and undersigned the minutes and then forward them telematically to the competent administration office. Where applicable, reference has to be made to the University’s Regulations (Rector’s Decree n. 467-2016, 18 April 2016 as modified by Rector’s Decree n. 318-2020, 17 March 2020).

Art. 9 - Role and Duties of the Examining Board

1. In the first session the Board, having determined that in compliance with related laws, no conflict of interest and incompatibility factors are present, outlines the following:
 - a) the assessment criteria of CV, qualifications, teaching and research activities, medical care activities, if required, and publications;
 - b) the criteria for testing Italian language skills for foreign applicants and English language skills, if required.

In the first session the Board also sets the date for testing language skills according to letter b) of the present article as well as the calendar of the meetings.

For assessing the candidates the Board refers to criteria and parameters in compliance with acknowledged international qualitative standards within the parameters indicated in Ministerial Decree n. 344/2011, 4 August 2011, considering also the criteria indicated by the Department.

2. The head of the selection procedure is immediately notified of the resolutions referred to in paragraph 1., which are to be published on the University’s Albo Ufficiale and on the website for at least 7 days before the Board can move on to the next phase of the selection procedure.
3. In the following meetings the Board grades the candidate’s CV, the qualifications, the teaching activities, the publications and the medical care activity (if required) in relation to the position being appointed. Each member of the Board individually attributes a grade, then the Board jointly assesses each candidate, and compares them. Once this has been completed the Board draws up a ranking of the candidates and deliberates by majority the winner of the selection procedure.
4. All proceedings are contained in the minutes of the meetings, including assessment of the candidates; after establishing their validity, they are to be published on the University’s Albo Ufficiale and on the website.

Art. 10 - Time Limits of the Selection Procedure

1. The Board is to conclude all necessary actions within four months from the Rector’s Decree nominating its members, extendable for other two months.

3. If all procedures are not concluded even within the extended deadline, the Rector shall proceed to the substitution of the Board members.

Art. 11 - Determining Validity of Proceedings

1. Within thirty days after the proceedings are consigned to the Settore Concorsi e Selezioni, the Rector issues a Decree establishing their validity and declaring the selected candidate. The Rector's Decree and the proceedings are published on the University's Albo Ufficiale and on the website. This, to all effects, represents official notification and from that date candidates have a period of time to file a complaint. The Decree is immediately passed on to the relevant Body in charge of the appointment, as pursuant to the following Art. 12.

2. If the Rector finds any irregularities in the proceedings he/she may make a motivated request to the Board to obtain rectification.

Art. 12 – Call

1. Within two months of the Rector's approval of the proceedings, the Department that had requested the selection procedure must propose a date to officially appoint the selected candidate, pursuant to Art. 9 of related Regulations quoted in the introduction. The Department's resolution must be approved by the University's Board of Directors.
