

THE WUR - Times Higher Education World University Rankings

THE WUR, as ARWU, assesses and ranks the universities with an emphasis on the research mission, but considers financial resources (industry income), teaching (learning environment) and international outlook (staff, students and research), carrying out also a Reputation Survey among academics and using data provided by the institutions and by Scopus database.

The indicators are 5:

- **Teaching** (the learning environment)
- **Research** (volume, income and reputation)
- **Citations** (research influence)
- **International outlook** (staff, students, research)
- **Industry income** (knowledge transfer)

THE WUR by Subject assesses and ranks the TOP 500 universities in 11 subjects:
