ART. 3 Requirements for Activation

The minimum number of enrolments necessary to activate the aforementioned Ph.D. courses must not be fewer than 3 – by “enrolments” we mean candidates that have successfully passed the admission exams and fulfilled all administrative procedures for enrolment in the Ph.D. course applied for.

The number of available grants may increase if external funding from other sources is provided, as long as such funding is made available by the deadline established in this announcement.

Failure on behalf of public or private institutions to comply with funding procedures will result in fewer available positions.

The number of available grants may increase if the MIUR approves. In this case the funding can also be made through the use of European funds, where doctoral grants are envisaged, even after the expiry of this call.

The University of L'Aquila will participate in the presentation of the project proposals in the framework of the National Operational Program FSE-FESR Research and Innovation and in particular with reference to Action I.1 - "Innovative PhDs with Industrial Characterization".

Any positive outcome of the participation in this initiative, will enable the funding of additional scholarships for PhD programs. In this case the PhD students, can pursue their research path both at the partner enterprises with which they presented the project proposals, and abroad.

ART. 4 Requirements for Access

Candidates holding a Master-level Degree or other University Degree corresponding to criteria specified in DM – Ministerial Decree – 509/1999, or those holding a foreign Degree with certified equivalency, within the deadline of this selection announcement, may, with no limitations as to age or citizenship, apply to participate in the Ph.D. selection process.

Candidates holding a foreign Degree who have not as yet obtained certified equivalency required for the Ph.D. course, must include the following documents in their application (necessary for the Examination Commission to evaluate the Degree as conforming to requirements):

- a copy of the Degree obtained with a transcript of the exams taken and an Italian translation provided by the applicant under his/her responsibility;
- any other documentation deemed useful in terms of admission (Diploma Supplement, declarations etc.) .

The academic qualification in the student's possession must refer to a course with a duration of at least 4 years; this document must be valid to give access to the PhD course in the country in which it was awarded.

Suitability of the qualification will be verified by the Course's Admission Committee and will only be granted for the sole purpose of admission to the chosen PhD course.

UNIVERSITÀ DEGLI STUDI DELL'AQUILA

Amministrazione centrale
Area Ricerca e Trasferimento Tecnologico
Settore Dottorati, Assegni e Borse di Ricerca

The selection procedure is also open to:

Candidates scheduled to obtain their Master-level degree within 31st October 2017. If admission exams are held before the Degree is conferred, the candidate's admission shall be deemed as "subject to verification" ("con riserva").

Candidates who have already obtained a Ph.D., although such candidates shall not be eligible for financial support or grants.

Candidates enrolled in their final year of medical specialization school (Scuola di Specializzazione) at the University of L'Aquila.

ART. 5 Applications

The application form to participate in the selection process may only be submitted using the dedicated online procedure, available at: <https://pica.cineca.it/univaq/univaq-dott33/>. Application forms must be submitted no later than the 24th August 2017 at 1 o'clock p.m. (CEST).

Candidates intending to apply for more than one Course must complete a separate application for each chosen Course.

Should the Course have more than one curriculum, candidates must indicate the chosen curriculum. Preferences expressed on the application form will provide an indication of the candidate's interests and will not be binding.

If the information sheet for the chosen PhD course provides indication of places reserved for candidates who graduated abroad, candidates wishing to compete for these places are obliged to indicate this in their application.

All required documents to be submitted, listed in the information sheet for the chosen PhD course, must be attached to the application form, together with a copy of an identity document. If the candidate is applying for more than one course, each application must be completed with the relative documents required. All documentation must be attached in pdf format. For all legal purposes, the application is to be considered as a self-certification of the data included therein and of the attached documents, in accordance with articles 46 and 47 of Italian Presidential Decree no. 445/2000 and subsequent amendments.

Once the application form has been completed, it must be printed, signed manually and re-uploaded following the instructions described in the online procedure, and an identity document must be attached. A missing signature could lead to exclusion from the selection process.

The candidate can, where applicable, request **reference letters** by completing the appropriate section on the application form. A notification for completion of the letter will be sent to the referee only when the application has been fully submitted. The referee must complete the reference letter and submit it by the deadline of 31 August 2017 at 13:00 CEST. **Reference letters attached by the candidate will not be taken into consideration.**

The application is automatically sent to the University when the online procedure has finally been completed. Therefore, no paperwork needs to be delivered or sent to the University's offices.

Candidates are invited to complete applications for the selection process well in advance of the closing date specified in this competition notice. Candidates are responsible for verifying that the procedure is completed correctly. No complaints will be accepted for any malfunctioning of the IT system due to overload experienced by candidates near the closing date.

After the expiration of the call it will no longer be possible to change the application for participation.

Pursuant to Italian Law no. 104/92, as amended by Italian Law no. 17/99, disabled candidates may request an individual examination (with the use of aids, any additional time required, etc.) to complete the required entry examinations. In accordance with Italian Law no. 170/2010, candidates with specific learning disabilities are allowed 30% more time to complete written exams, if required for the selection process for admission to the chosen PhD course, subject to a request for an individual examination. The request must be written in accordance with the instructions available as part of the online application procedure for the selection process.

OMISSIS

ART. 6
Foreign Candidates

With the aim of fostering student mobility, the Ph.D. courses in this announcement provide for the following positions as specified in the charts above:

- 1) Positions reserved for candidates selected within specific student mobility projects the University participates in. (in these cases the selection procedures will follow its specific rules)
- 2) Positions reserved for foreign scholarship recipients;
- 3) Positions not covered by scholarships and reserved for candidates who have obtained their Degree abroad;
- 4) Positions with scholarship provided by the University of L'Aquila reserved for candidates who have obtained their Degree abroad.

Candidates corresponding to the case under 1), must not follow the online procedure - they shall be contacted by e-mail.

Candidates corresponding to the case under 2) shall obtain supernumerary positions in the Ph.D. Course selected once they have passed admission requirements.

Candidates corresponding to the cases under 3) and 4) will find admission procedures indicated in the charts outlining the details of the Ph.D. Course they are interested in. Positions will be assigned in accordance with the final rankings obtained following the admission exams and requirements.

If the reserved positions are not filled they shall become part of the regular selection procedure and assigned according to admission examination results.

ART. 7
Examinations

The examination procedures and the dates of the exams are indicated in the Article 2 of the above reported schemes of each doctoral course. These dates are to be regarded as official legally-binding calls. **Candidates will therefore not receive any other sort of call or summons by the University as to the exams prescribed for the Ph.D. Course they have applied for.**

ANY CHANGES IN DATES AND TIMES WILL BE MADE PUBLIC ON THE UNIVERSITY WEB-SITE

A candidate's absence at the time and place indicated for examinations will automatically mean he/she renounces participation in the competition.

The candidate does not have to be present during qualification assessment procedures unless otherwise specified in art. 2. To sit the prescribed exams for the course applied for, candidates must be present on the dates and times indicated in the above mentioned schemes with a valid identification card.

For some Ph.D. courses, as indicated in the relevant charts, candidates may request to sit the oral exam in another language other than Italian (check chart for details).

Candidates living abroad may, only if indicated as an option in the chosen Ph.D. Course, sit the oral exam via web conference communication systems (e.g. Skype). In this case, the candidate is required to provide contact information in their application and guarantee the use of a web-cam to allow the Commission to verify the candidate's identity.

ART. 8
Examination Committee
Assessment Criteria and Ranking List

The Examination Committee is appointed by a Rector decree and is composed by a minimum of three to a maximum of five members among professors and assistant professors.

The candidate's scores will be indicated out of a total of 100 points.

UNIVERSITÀ DEGLI STUDI DELL'AQUILA

Amministrazione centrale
Area Ricerca e Trasferimento Tecnologico
Settore Dottorati, Assegni e Borse di Ricerca

The results of the written exam, signed by the President and by the secretary of the Examination Committee, will be published on the Department's notice board and / or the site of the Department at which the test was conducted.

At the end of each group of interviews the Examination Committee draws up the list of the interviewed applicants with the obtained scores.

This list, signed by the President and by the secretary of the Examination Committee will be published on the Department's notice board and / or the site of the Department at which the test was conducted, on the same day of the oral examination.

Regarding at the vacant positions reserved for applicants with a degree obtained abroad, if specific modalities of admission are envisaged, the Commission shall draw up a specific merit list using the evaluation criteria indicated.

Once all the interviews have been completed the Examination Committee draws up the final ranking list according to the sums of the obtained scores. The University Administration makes this list public by publishing it on the official notice board of the University and on the University web site, once the validity of the examination procedure has been checked.

The applicants will obtain a Ph.D. position according to their position on ranking list.

In case of equal merit, the Ph.D. position will be conferred to the younger candidate.

If the candidate obtains equal position in more than one Ph.D. course he/she must choose one course.

ART.9

Enrolment in Ph.D. Courses

Successful candidates passing selection must submit their enrolment through the University of L'Aquila official website, within 15 days from online publication of selection results.

Failure to enrol by the deadlines set for each Course will be considered as renunciation of the place which will subsequently be assigned to the next candidate according to the ranking.

Information on enrolment procedures will be published at the same time as the rankings.

No information will be sent to the candidate's home. Candidates granted admission to the Courses are responsible for checking enrolment dates and procedures.

The enrolment forms, available on the University website, duly signed, must be delivered to the "Settore Dottorati, Assegni e Borse di Ricerca", Via Giovanni di Vincenzo 16/b, L'Aquila within the deadline foreseen for the enrolment. The documents can be delivered in one of the following ways:

ART. 12

Grants – Scholarships

The grants available indicated in the Ph.D. chart (art. 2) are assigned according to the ranking list drawn up by the Examination Commission

UNIVERSITÀ DEGLI STUDI DELL'AQUILA

Amministrazione centrale
Area Ricerca e Trasferimento Tecnologico
Settore Dottorati, Assegni e Borse di Ricerca

In case of joint-winners the available scholarship shall be conferred on the basis of the candidates' economic situation in compliance with D.P.C.M. 9/4/2001 and successive amendments. A Ph.D. study grant amounts to €13,638.47 and subject to INPS (Social Security Service) contributions amounting to 32,72% in 2017, of which 10,91% is to be paid by the grant beneficiary.

From the second year of each Ph.D. course, in addition to the grant and according to financial resources, a research budget, not inferior to 10% of the total sum of the grant conferred, will also be available for research activity in Italy or abroad. If a Ph.D. student does not receive a positive evaluation or renounces the grant, the remaining sum shall remain within the institution and used accordingly for the same purpose.

Grants provided by other Universities and public or private body may be linked for carrying out specific research topics. External sources shall be assigned by the Board of Professors, candidates to whom grants are conferred have to find out all the details and conditions regarding the grant before accepting.

Grants last one year and are renewed on the condition that the Ph.D. student has completed all programmed activities for the course during the previous year.

A Ph.D. scholarship cannot be accumulated with other grants except for those provided by national or foreign institutions which are aimed at integrating the Ph.D. student's research activity with periods abroad.

If a scholarship is provided by external sources, both public and private, the sum shall be given to the Ph.D. student only when it is received by the University from the external source.

Candidates who have already benefited from other Ph.D. study grants in Italy (even if only for one year) are not eligible to receive another grant.

If Ph.D. student does not respect what indicated by article 15 paragraph 7 of Ph.D. regulations, his/her scholarship will be stopped

ART. 13 **Lessons Abroad**

Ph.D. students can carry out training periods abroad in qualified institutions. Such training or study periods abroad can be for a period of no longer than half the duration of Ph.D. course and can arise due to:

The study program of the Ph.D. course
Upon advice of the course coordinator or board
Upon request made by the Ph.D. student

The sum of the grant/scholarship is increased to cover such training or study periods abroad up to a max of 50% and only for the duration of the period spent abroad.

This increase shall be covered by funding provided by the interested University Departments or through specific funds set up for Ph.D. student mobility.

Before going abroad the following documents must be sent to the above mentioned Ph.D. office by the Coordinator:

Signed authorization by the course Coordinator for training/study periods abroad of less than 6 months or
Board resolution allowing a period of over 6 months;

If the Ph.D. student is a grant-holder:

The authorization must include the source of financial coverage for the additional sum of the scholarship.

Upon returning to Italy the Ph.D. student shall present the following:

Certification from the foreign institution stating the Ph.D. student's attendance, signed by the course Coordinator;

If the Ph.D. student is a scholarship holder:

Indication of the fund to which the additional sum of the scholarship is to be sent, if this sum is to be paid by the Department.
