ART. 1

Public competition procedures based on qualifications and examinations for admission to the Ph.D. Course in Physical and Chemical Sciences at the University of L'Aquila.

Ph.D. Course in Physical and chemical sciences	
Positions available	1
Financial employment	First stage researcher
Start of business	By May 1 st , 2023
Grant Funding	Grant Agreement n. 101072449 of the project Marie Skłodowska-Curie Actions - Doctoral Network (MSCA-DN) "EXBRINER - Next-generation membrane technologies for sustainable exploitation of seawater brine resources: transition towards a circular blue industry"
Local Project Coordinator	<i>Prof. Antonio Politano</i> antonio.politano@univaq.it
Project Description	The Marie Skłodowska-Curie Actions -Doctoral Network EXBRINER project aims to develop a new technological and interdisciplinary platform for the valorisation of hypersaline brines produced by desalination plants through photothermal membrane crystallization. The project involves seven European universities, three research centers and four industrial partners, with mandatory secondments in two academic centers and one industrial center for each recruited fellow. The University of L'Aquila will contribute with an activity in the field of experimental condensed matter physics, which will include (i) the development of functional inks based on nanosheets of layered materials with efficient light-to-heat conversion and (ii) their characterization with surface-science spectroscopies, also using spectromicroscopic techniques, based on synchrotron radiation.
Candidate Profile	The position requires a master's degree in Physics or related subjects and an excellent knowledge of Surface Science and, more generally, of two-dimensional and topological materials, liquid-phase exfoliation, nanoscience, surface plasmons, thermoplasmonics, synchrotron light, and electron spectroscopies (in particular, XPS, EELS, ARPES), both for <i>in situ</i> experiments in ultra-high vacuum (for which vacuum technology skills will be required), and in <i>operando</i> conditions. The candidate will also have to demonstrate knowledge of software for advanced data processing and show aptitude for teamwork. A good knowledge of written and spoken English is required. Two academic secondments will be required at the Italian Institute of Technology of Genoa and Aalborg University (Denmark) and one industrial at GVS s.p.A. of Zola Predosa (Bologna).

The minimum score required for admission to sit the oral exam is 30.2. Oral exam: Max. 60/100 points. The oral exam aim is to evaluate the candidate's aptitude and motivation for research. The interview be held on the following subjects: Surface Science, two-dimensional and topological materials, surface plasmons, electron spectroscopies. The exam includes assessment of the candidate's English language skills.

ART. 2 Requirements for Access

Candidates holding a Master-level Degree or other University Degree corresponding to criteria specified in DM – Ministerial Decree – 509/1999, or those holding a foreign Degree with certified equivalency, within the deadline of this selection announcement, may, with no limitations as to age or citizenship, apply to participate in the Ph.D. selection process.

Candidates holding a foreign Degree who have not as yet obtained certified equivalency required for the admission to the Ph.D. course, must include the following documents in their application (necessary for the Examination Commission to evaluate the Degree as conforming to requirements):

UNIVERSITÀ DEGLI STUDI DELL'AQUILA

Amministrazione centrale
Area Ricerca e Trasferimento Tecnologico
Settore Dottorati, Assegni e Borse di Ricerca

- a copy of the Degree certification (Bachelor-level Degree and Master-level Degree) obtained with a transcript of records of the exams taken and an Italian or English translation provided by the applicant under his/her responsibility;

- any other documentation deemed useful for the qualification assessment (Diploma Supplement, diploma translated and legalized by the competent Italian Diplomatic Authorities in the country where the degree has been awarded, declaration of value on site if already in possession, etc..).

The academic qualification held by the candidate must refer to a course with a duration of at least 4 years and allow the access to a Ph.D. course in the country in which it was awarded.

Eligibility of the qualification will be verified by the Course's Admission Committee and will only be granted for the sole purpose of admission to the chosen Ph.D. course.

The selection procedure is **NOT OPEN** to candidates who have already been awarded by a doctoral degree.

The selection procedure is **NOT OPEN** to candidates that at the time of recruitment, have resided or carried out their main activity (work, studies, etc.) in Italy for more than 12 months in the 3 years prior to recruitment date. When starting their contract selected researchers should be within the first four years of their careers. This means being both within a four years window following their most recent graduation.

ART. 3 **Applications**

The application form may only be submitted using the dedicated online procedure, available at: <https://pica.cineca.it/univaq/dott38-sfc-exbriner> starting at 11:00 a.m. on December 23, 2022 and no later than 1:00 p.m. (CEST) on January 25, 2023 (the expiration date of the notice).

The application must be signed.

The lack of signature or the typewritten signature is a reason for exclusion from the selection.

There are 3 methodologies to sign it and the candidate must select one of them and read carefully they directions.

- By digital signature using smart card, USB token or remote signature which allow the owner to sign general documents by means of a signature software or a Remote Signature web portal made available by the Auditor. Those who have a Digital Signature smart card or USB token shall verify that they are compatible with the Digital Signature system integrated in the system server. If so, the owner may sign the application directly in the system server (e.g. ConFirma);

- Those who do not have compatible digital signature devices and the Remote Digital Signature Owners who may access a web portal for signing general documents shall save in their own PC the .pdf file generated by the system and, without modifying it, digitally sign it in CADES format. A .p7m file will be generated, which shall be saved and uploaded again in the system. Any editing to the file before signing with the Digital Signature shall interfere with the automatic check of correspondence between the content of such a document and the original, and this will bring to the application exclusion;

- If none of the above-mentioned options can be used candidates shall save in their own PC the .pdf file generated by the system and, without modifying it, print and sign it with full original signature in the last page of the printed document. A scanned .pdf copy of such a document shall be produced and the file thus obtained shall be uploaded to the system.

In case the access to the platform is via SPID, it is not necessary to sign the application with one of the aforementioned methods.

All required documents to be submitted, listed in the information sheet for the Ph.D. course (art. 1), must be annexed to the application form, together with a copy of an identity document. All documentation must be attached in pdf format.

For all legal purposes, the application is to be considered as a self-certification of the data included therein and of the attached documents, in accordance with articles 46 and 47 of Italian Presidential Decree no. 445/2000 and subsequent amendments.

The candidate must request reference letters. A notification will be sent automatically sent to the selected referee only when the application has been fully submitted. The referee must compile the reference letter scheme and submit it by the deadline of **January 31, 2023, at 1:00 p.m. CEST**.

Reference letters attached by the candidate will not be taken into consideration.

The application is automatically sent to the University when the online procedure has finally been completed. Therefore, no paperwork needs to be delivered or sent to the University's offices.

Candidates are invited to complete applications for the selection process well in advance of the closing date specified in this call. Candidates are responsible for verifying that the procedure is completed correctly. No complaints will be accepted for any malfunctioning of the IT system due to overload experienced by candidates near the closing date.

After the deadline of the call it will no longer be possible to change the application for participation.

In force of Italian Law no. 104/92, as amended by Italian Law no. 17/99, disabled candidates may request an individual examination (with the use of aids, any additional time required, etc.) to complete the required entry examinations.

According to the art. 15 of Law 183/2011 and following the interpretation done by the Directive of the Presidency of the Council of Ministers, signed by the Minister of Public Administration and Simplification, n. 61547 of 22/12/2011, the University can't accept certifications issued by other Public Administrations.

Therefore, if the titles declared by candidates and attached to the application for admission to the competition, have been issued by Italian public universities, they must only be self-certified.

Following the rules on self-certification, the University will verify the veracity of the self-certification, pursuant to the Consolidated Law on Finance. 445/2000.

ART. 4 Examinations

1. The examination procedures and the dates of the exams are indicated in art. 1.

Candidates are not required to be present during the evaluation procedure of the submitted documents.

The Candidates will receive communications about the admission, the date and the time of the interview by email from the Local Project Coordinator.

A candidate's absence at the time and place indicated for examinations will automatically mean he/she renounces to participate at the competition.

ANY CHANGES IN DATES AND TIMES WILL BE MADE PUBLIC ON THE UNIVERSITY WEB-SITE

2. Candidates must take the oral exam in english language.

3. Candidates sit the oral exam via web conference communication systems. The candidate is required to provide contact information in their application and guarantee the use of a web-cam to allow the Examination Committee to verify the candidate's identity.

ART. 5

Examination Committee Assessment Criteria and Ranking List

The Examination Committee is appointed by the Rector through a specific decree and is composed by a minimum of three to a maximum of five members among professors and assistant professors. At least one of the members must be full Professor.

Having regard to Italian Law about “Equal Opportunities for Men and Women” and specifically to Art. 57 of the Leg. Decree n. 165, 30 March 2001, at least one third of the Examining Board has to be women, except impossibility to be demonstrated when the Board proposal is made. In any case the gender balance must be respected: each gender must be represented at least by one third of components.

Having regard to Art. 35 bis of the Leg. Decree n. 165, 30 March 2001, Individuals condemned for crimes – even if not yet sentenced – in Book II of the Italian Penal Code (“crimes by civil servants against public administration”) cannot be nominated as members of the Examining Board.

Teachers who have issued letters of reference to candidates cannot be part of the exam boards.

The Commission can carry out the preliminary meeting and the meeting relating to the evaluation of the candidates' qualifications electronically. Insofar as they are compatible, the rules of the University Regulations on the subject are guided (D.R. n. 467–2016 of 18/04/2016 modified with D.R. 318-2020 of 17/03/2020 and with D.R. n. 21 of 17/01/2022).

The candidate's scores will be indicated out of a total of 100 points.

The results of the assessment of the qualifications will be published on the web site of the University <https://www.univaq.it/en/section.php?id=2163> and on the web site of the concerned Department.

The interview will focus on the topics indicated in the sheet (art.1).

At the end of the session the Examination Committee draws up the list of the interviewed applicants with the obtained scores.

The lists, signed by the President and by the secretary of the Examination Committee will be published on the site of the Department at which the test was conducted, on the same day of the oral examination. (<https://dsfc.univaq.it/phdpc/>).

Once the competition have been completed, the Examination Committee draws up two final ranking lists, The University Administration makes this list public by publishing the list on the official notice board of the University and on the University web site provided, the validity of the examination procedure has been checked.

Candidates will be admitted to the course according to the order established in the general merit ranking within the limit of the places specified in the announcement.

In case of equal merit, the Ph.D. position will be conferred to the younger candidate.

This selection is also valid to get the employment position as first stage researcher.

ART. 6

Enrolment in Ph.D. Courses

Successful candidate must submit their enrolment through the University of L'Aquila official website (https://www.univaq.it/en/section.php?id=2163&lang_s=en), within 15 days from online publication of selection results.

No information will be sent to the candidate's home. Candidate granted admission to the Courses are responsible for checking enrolment dates and procedures.

Failure to enroll by the deadlines set for each Course will be considered as drop out and the place will subsequently be assigned to the next candidate according to the ranking.

The enrolment forms, available on the University website, duly signed, must be delivered to the “Settore Dottorati, Assegni e Borse di Ricerca”, within the deadline foreseen for the enrolment. The documents can be delivered in one of the following ways:

- by certified e-mail (PEC) addressed to protocollo@pec.univaq.it.
The certified e-mail account used must be the candidate's personal account. The administration shall not accept documents from candidates using certified e-mail accounts belonging to other individuals or to institutions. The University Administration declines all responsibility for any non-deliveries or misdeliveries of the documents sent via PEC or in case the documents attached to it are non-readable or damaged. The date of submission will be indicated on the receipt sent automatically by the PEC system.
- by mail addressed to concorso.dottorati@univaq.it. All documentation must be attached in pdf format.

Candidates with a qualification obtained abroad, when they arrive in Italy, are required to deliver the originals of the documentation relating to the qualification to the Settore Dottorati, Assegni e Borse di Ricerca.

The documents to submit compulsory are the followings:

- a) Enrolment form;
- b) Self-Declaration in substitution of certification and Self-Declaration in substitution of attested affidavit in accordance with articles 46 and 47 of the Presidential Decree – 28th December, 2000, n.-445 (using the forms available on the University website <https://www.univaq.it/section.php?id=684>);
- c) a copy of an identity document;
- d) a photocopy of the candidate's fiscal-code number;
- e) a photocopy of the candidate's “Italian-residency permit” (permesso di soggiorno) – only for non-EU citizens.

Foreign citizens must declare possessing the following requisites:

- 1) that they benefit from civil rights and right to vote in their country;
- 2) that, aside from Italian citizenship, they possess all other requisites required for citizens of the Italian Republic.

Applicants holding a university Degree awarded abroad must enclose, also, the following documents, translated and certified by competent Italian Diplomatic Authorities:

- copy of their university degree indicating their final mark;
- degree transcripts indicating the exams taken during their course and marks awarded.

Alternatively, the winner may present the certificate of comparability issued by CIMEA as part of the agreement stipulated with the University of L'Aquila (<https://www.cimea.it/pagina-attestat-di-comparabilita-e-verification-of-qualifications>).

For the registration, please enter the service Diplome, via the following link <https://cimea.diplome.eu/univaq/#/auth/login>.

If the above documentation is not available at the time of enrolment, the candidate's enrolment shall be deemed “subject to verification”. In this case all above mentioned compulsory documentation must be consigned by and no later than the June 30, 2023; failure to do so will result in expulsion from the course.

This amount is subject to INPS (Social Security Service) contributions amounting to 35,03 % for the year 2022 of which 11,677 % is to be paid by the grant beneficiary.

The successful candidate will receive a mobility allowance of € 7.200,00 per year and a family allowance (depending on family status at the date of recruitment) of € 5.940,00 per year.

The above salary cannot be accumulated with other grants except for those provided by national or foreign institutions which are aimed at integrating the Ph.D. student’s research activity with periods abroad.

The total of the living allowance will be paid monthly.

ART. 8 **Lessons Abroad**

During the three years of the PhD course, the Ph.D. student will spend time in other participating institutions, according to the Local Project Coordinator advise.

The Ph.D. student before going abroad, must sent to the Ph.D. office, *Settore Dottorati, Assegni e Borse di Ricerca*, the following documents:

- signed authorization by the course Coordinator for training/study periods abroad of less than 6 months or
- board resolution allowing a period of over 6 months.

Upon returning to Italy the Ph.D. student shall present to the course Coordinator the certification from the foreign institution stating the Ph.D. student’s attendance, to be transmitted to *Settore Dottorati, Assegni e Borse di Ricerca*.

ART. 9 **Tuition Fees**

The full tuition amounts to the required Regional university tax.

In case of delayed payment the students has to add to the previous amount the tax of € 52.00.

ART. 10 **Rights and Duties**

1. Ph.D. students are obliged to attend lessons and carry out all prescribed activities regularly in accordance with the programs and schedules set by the Board of Professors and according to the Local Project Coordinator of the project “EXBRINER - Next-generation membrane technologies for sustainable exploitation of seawater brine resources: transition towards a circular blue industry”;
2. He/She will have to participate to the activities of the project “EXBRINER - Next-generation membrane technologies for sustainable exploitation of seawater brine resources: transition towards a circular blue industry” or as specified by the Program and/or required by the Project Coordinator and/or Supervisors, including involvements in meetings, schools, workshops and training activities;
3. During the appointment the Ph.D student has to spend time in other participating institutions through a secondment scheme, namely at Fondazione Istituto Italiano di Tecnologia in Genoa (Italy), University of Aalborg (Denmark), GVS S.p.A. in Zola Predosa (Bologna, Italy).
4. He/She will write up the results of research activity and present research papers and publications at meetings and conferences as advised by Supervisors.
5. The University provides insurance coverage for the entire duration of the Ph.D. course and for activities pertaining to the course;
6. Interruptions in attendance shall be allowed for, illness or injury for periods of 30 days or more;
7. Maternity/paternity leave and leave for adoption or foster care may also be authorized. Maternity-leave laws and regulations as indicated in Gazzetta Ufficiale n. 247 of 23rd October, 2007 shall be applied.
8. A Ph.D. student’s unexcused absence or non-fulfillment of obligations shall result in his/her exclusion from the course by the Board of Professors.
9. Ph.D. students enrolled at the University of L’Aquila may carry out limited teaching or tutoring activities within the University’s Bachelor and Master-level degree courses if so established and programmed by the Board of Professors in agreement with the University Department.

ART. 11 **Graduation**

The title of Doctoral degree (Dott. Ric or Ph.D.) will be awarded provided a positive evaluation of the Ph.D. thesis, taking into account the achieved results.

The Ph.D. thesis can be written in Italian or in English and has to have an abstract in English. The Ph.D. thesis can be written in a language different from Italian or English provided the Board of Professors’s authorization.

The evaluation committee for the Ph.D. thesis defence will be appointed according to the Ph.D. Courses University Rules.
