Eni Award Categories

Eni Award 2023 Ceremony

Eni Award is an internationally recognized prize for applied research and technological innovation in the fields of **energy and environment**. It includes six sections:

- **3 Main Prizes** to professors and researchers internationally renowned:
 - **Advanced Environmental Solutions award**
 - **Energy Transition award**
 - **Energy Frontiers award**
- **Young Researcher of the Year award:** two awards for graduates with PhD theses from Italian universities.
- **Young Talents from Africa award:** two awards for PhD students from African countries.
- **“Eni for Innovation” recognitions:** three awards for Eni employees.

Young Researcher of the Year

Highlights and Main Requirements

- **2** awards to researchers that defended their **PhD theses** in **Italian universities** in 2023 or 2024.
- Candidates shall be under **32 years old** (born in or after the year 1992).
- **Topics** promoted by Eni Award, related to **energy and environment**, such as: carbon capture, utilization and storage; energy efficiency; renewable energies; energy storage; energy management; green chemistry; nature-based solutions; natural resources preservation and sustainable use; biodiversity protection; ecosystem restoration; environmental remediation.
- **Applications** must have a **Guarantor** (Professors, Directors of Department or Institute, Faculty Deans, Chancellors of universities, polytechnic universities or research centers operating in Italy in the specific – or similar – fields for which the Prize is awarded).
- Deadline for application: **November 15th, 2024**.
