6th International Staff Training Week **Cybersecurity at a Crossroads in the Age of Global Digital Threats**

13th-15th October 2026
L'Aquila

Location

13th - 14th October 2026

Centro congressi "Luigi Zordan"

piazza San Basilio 1

15th October 2026

Palazzo Camponeschi

piazza Santa Margherita 2

This engaging week aims at exploring the different aspects of the Cybersecurity with a focus on the digitization of processes and the corresponding measures. A great opportunity to network and share best practices with colleagues from European and non-European universities.

Registration by 31/07/2026
