

This week at GSSI

June 15 – 20

Monday 15 to Tuesday 16

Main Lecture Hall

Workshop: *Integrating City Tourism(s) in the Urban Research Agenda*

June 15-16, 2015 - GSSI Main lecture Hall

Attention to urban tourism has been growing rapidly. Researchers, practitioners and policy-makers should carefully reconsider the nature, distinct role, and connections of tourism in the frame of urban economies.

Thursday 18

3 pm; Main Lecture Hall

Seminar: *New Insights on the Origin of Cosmic Rays*

Speaker: Damiano Caprioli, Princeton University

4 pm; Main Lecture Hall

Seminar: *Latest results from the Planck satellite: implications for Early Universe Physics*

Speaker: Nicola Bartolo, University of Padova
