### **Procedure for the selection of students**

Each University, included in the project, will carry out the selection of the participants according to the following **criteria**:

1. The selection must be fair, transparent and well-documented, and shall be made available to all parties involved in the selection process.
2. The selection criteria (e.g. the academic performance of the candidate, the previous mobility experiences, the motivation, etc.) shall be made public. The HEI shall take the necessary measures to prevent any conflict of interest with regard to persons who may be invited to take part in the selection bodies or selection process.
3. For students from Partner Countries, the first criterion for selecting students will be academic merit, but with equivalent academic level, preference should be assigned to students from less advantaged socio-economic backgrounds (including refugees, asylum seekers and migrants).
4. Lower priority will be given to those who have already participated in mobility actions in the same study cycle under the LLP-Erasmus Programme, Erasmus Mundus Programme or Erasmus+ Programme.

In the case of Erasmus Mundus Master Courses and Erasmus Mundus Joint Master Degrees, previous participation is only taken into account for scholarship holders. A student can go on mobility several times, up to a maximum of 12 months per study cycle. Prior experience under LLP- Erasmus Programme; Erasmus+ mobility for higher education students (both KA103 and KA107) and as scholarship holders of Erasmus Mundus Master Courses and Erasmus Mundus Joint Master Degree is taken into account for the maximum of 12 months. However, participation in Erasmus Mundus Master Courses and Erasmus Mundus Joint Master Degrees as self-financing participants is not taken into account.

Partner Universities will select a maximum of 5 students each.

Each University, included in the project,:

- a) will inform UNIVAQ International Relations Office ([credit.mobility@strutture.univaq.it](mailto:credit.mobility@strutture.univaq.it)) by sending:

Once all documents arrive from all Partner universities, an academic committee at UNIVAQ will be nominated in order to evaluate the applications received. A general merit ranking will be approved by the committee together with a reserve list of candidates.
