

Weather Forecasting

Weather Forecasting

September 16-20, 2013 - L'Aquila, Italy

SAPIENZA
UNIVERSITÀ DI ROMA

ADRIARadNet

Città dell'Aquila

The 12th edition of the **International Summer School on Atmospheric and Oceanic Sciences (ISSAOS.2013)**, is organized by the [CETEMPS](#), University of L'Aquila, in collaboration with other Italian Institutions ([ARPA-EMR](#) and [Sapienza University of Rome](#)), and sponsored by the [IPA-CBC program](#), international/national agencies/institutions and companies. ISSAOS-2013 will review the current status of **weather forecasting science** and how this is operationally implemented and might be further developed as a **service for the society**. **Lecturers** coming from the most important European meteorological services and research centers will guide the participants and the students through **topics** ranging from weather forecast modeling to atmospheric remote sensing, from numerical climate prediction to societal impact.

**SCHOOL PROGRAM
COMMITTEE**

Frank Silvio Marzano (Chair)

Tiziana Paccagnella (Co-Chair)

Vincenzo Rizi (Co-Chair)

Stefano Tibaldi (Co-Chair)

**LOCAL ORGANIZING
COMMITTEE**

Eleonora Aruffo

Alessandra De Savino

Marco Iarlori

Simona Marinangeli

Mario Montopoli

Gianluca Redaelli

Vincenzo Rizi

Paolo Tuccella
