3rd International Meeting of Researchers in Intermediality (IMoRI 2025)

Online, 4-5 December 2025

IMoRI 2025 is a two-day research forum bringing together leading research units from Europe and the Americas to explore emerging directions in intermedial studies. The title of this year's edition is *Mapping New Territories in Intermedial Studies: A Research Forum*.

Organised by Mattia Petricola (UnivAQ) and Marco Maggi (USi) and hosted by the Centre for the Study of Transcodification.

The event is free to attend and open to all without registration.

Program, schedule, and links to join are available at the following address:
